## Andrew Reisman, EnCE, CCFE, CFE JD

Andrew Reisman is President of Elijah Ltd., a legal technology company specializing in computer forensic investigations and e-discovery. Andrew has had primary responsibility for hundreds of investigations and has testified and lectured on numerous occasions regarding computer forensics and electronic discovery. Drawing upon his extensive computing, forensic investigation, and legal backgrounds, Andrew is uniquely qualified to bridge the communication gaps that so frequently arise between inside and outside counsel, IT/IS departments, and finders of fact, and to most efficiently and expeditiously identify key case evidence.

### Recent Testimony

- *Cogan v. McNabola*, AAA Commercial Arbitration, Chicago, IL (2011) – In a matter involving termination of a partnership agreement, provided testimony regarding metadata contained in a Word document providing notice of agreement termination.
- *Upstairs Solutions, LTC v. English*, United States District Court, N.D. IL (2011) – In a matter involving alleged misappropriation of confidential data, provided testimony regarding method and scope of electronic misappropriation.
- *Wayne Hummer Investments LLC v. Burno*, FINRA Arbitration, Chicago, IL (2009) – In a matter involving alleged misappropriation of confidential data, provided testimony regarding nature of defragmentation processes in relation to claims regarding intentional destruction of data and evidence spoliation.
- *Mintel International Group, Ltd. v. Meesham Neergheen*, United States District Court, N.D. IL (2009) – In a matter involving alleged misappropriation of confidential data, provided testimony regarding alleged spoliation of computerized evidence and nature of computer activity.
- *Hoffman v. Authentec, Inc.*, United States District Court, M.D. FL (2009) – In a matter involving alleged securities fraud, provided testimony regarding the reasonableness of company safeguards to protect the confidentiality of electronic data.
- *Rondout School District 72 Student Disciplinary Hearing*, Lake Forest, IL (2009) – In a student disciplinary hearing regarding allegedly defamatory statements made on the Facebook social networking site, testified regarding issues relating to Facebook groups and accounts.
- *Smith v. Effective Teleservices, Inc.*, 15<sup>th</sup> Judicial Circuit, Palm Beach County, FL (2008) – In a matter on behalf of a telecommunications company, provided testimony regarding alleged spoliation of computerized evidence and analysis of report prepared by opposing computer forensics expert.
- *Dematic Corp. v. Tubman*, Kent County Circuit Court, Grand Rapids, MI (2008) – In a matter on behalf of an automation company, investigated computer media for evidence of trade misappropriation and reviewed company policies for protection of same. After locating evidence of same, provided testimony on which the Court relied in enjoining the former employee from competing against the employer.
- *AD Acquisition, LLC v. Lyon*, Circuit Court of Cook County, Chicago, IL (2007) - In a matter on behalf of an auto transport company in a trade secret misappropriation dispute, provided testimony regarding spoliation of computerized evidence on which the Court relied in entering a default judgment in favor of client.
- *MEPCO, L.L.C. v. MC Squared of Michigan, L.L.C.*, Kent County Circuit Court, Grand Rapids, MI (2007) – In a matter on behalf of a manufacturing company, investigated computer media for evidence of breach of fiduciary duty. Located evidence of deleted emails and testified at preliminary injunction hearing regarding findings.
- *Peter Gombrich v. Molecular Diagnostics, Inc.*, ADR Systems of America, Chicago, IL (2006) - In a matter on behalf of a technology company, investigated computer media for destruction of data. After locating evidence of same and testifying at arbitration hearing, client secured favorable spoliation finding.
